

## The Soft Stretcher

Available in 3 sizes, Morrison Medical's Soft Stretchers are specially designed for moving patients of all sizes up to 2,000 pounds. Great for transporting patients out of awkward and confined areas or stairways, transferring patients, and moving several children or more than one average size adult at a time. The Soft Stretcher is latex free and made from vinyl material with continuous reinforced nylon straps and features no-slip grip rubberized, pre-molded handles. Designed for quick cleaning and durability, The Soft Stretcher is the superior choice economically and for quality.

Please call for pricing.

#3010: Regular Soft Stretcher, 30" x 70"

#3030: XXXL Soft Stretcher, 60" x 80"

#3020: Large Soft Stretcher, 40" x 71"

## How does Morrison Medical's Soft Stretcher compare to the MegaMover® ?

	Morrison Medical's Soft Stretcher	vs.	MegaMover®
		<b>Superior</b>	
<b>Weight Capacity</b>	Over 2,000 lbs.	★	1,500 lbs.
<b>Sizes Available</b>	Regular (30" x 70") Large (40" x 71") XXXL (60" x 80")	★	40" x 80" only
<b>Patient Safety</b>	Rubberized, pre-molded handles allow for a strong, no-slip grip.	★	Fabric handles can cause transporters to fatigue quickly.
<b>Permeability</b>	Virtually impervious	★	Penetrable
<b>Cleaning Process</b>	Decontaminates easily with normal cleaning protocol (i.e. soap & water, bleach solution).	★	Requires machine washing.
<b>Durability</b>	Long lifespan. Can be used many times without any signs of wear.	★	Disposable quality. Damages and stains easily.
<b>Affordability</b>	Fewer replacements needed vs. competition, making this the economical choice.	★	Disposable nature requires more waste and more replacements needed.
